ALBANY PUBLIC INFORMATIONAL MEETING POSTPONED
REHABILITATION OF 1.2 MILES OF NH ROUTE 112

The New Hampshire Department of Transportation announces the planned combined Public Officials/Public Informational Meeting scheduled for Wednesday, January 18, 2006 in Albany to discuss the proposed rehabilitation of 1.2 miles of NH Route 112 has been **POSTPONED** due to anticipated inclement weather.

The intent of this project is to widen the roadway from one mile east of Rocky Gorge Parking Area to the west end of Lower Falls to provide 11-foot travel ways and five-foot paved shoulders in each direction, along with drainage and guardrail improvements.

This postponed Public Informational Meeting will be rescheduled at a later date.
